

# NOTICE OF FINAL PERMIT DECISION

*under*

California Code of Regulations

Issuance Date: October 25, 2007

---

In accordance with the requirements of California Code of Regulations, title 22, section 66271.14 (22 CCR 66271.14), the California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) is issuing this final decision to issue a Post Closure Permit for the closed Process Water Pond to:

CONOCO PHILLIPS  
LOS ANGELES REFINERY CARSON PLANT  
1520 EAST SEPULVEDA BLVD., CARSON, CALIFORNIA  
EPA ID NUMBER CAD 980881676

The public comment period for the draft Post Closure Permit and California Environmental Quality Act (CEQA) draft Notice of Exemption (NOE) was from August 23, 2007 to October 9, 2007. On September 11, 2007, a public meeting was held at the Carson Public Library located at 151 East Carson Street, Carson.

DTSC received three comments from ConocoPhillips during the comment period and has prepared a Response to Comments document and made changes to the Draft Permit. A copy of the Response to Comments will be provided to all those who commented. The Response to Comments document, the DTSC memorandum to file listing the revisions made to the Draft Permit in response to public comments, and a redline/strikeout version of the permit showing all the changes from Draft to the Final Permit, the Final Post Closure Permit and the Final Notice of Exemption are available to the public at the repositories listed at the end of this Notice.

The Post Closure Permit was signed and issued on October 25, 2007. This action constitutes a final permit decision under 22 CCR 66271.14(a) and the post closure permit will become effective on November 27, 2007 unless the permit decision is appealed.

This permit issuance decision may be appealed in accordance with 22 CCR 66271.18. Any person who filed comments on the draft post closure permit may petition DTSC to review any condition of the permit decision. Persons who failed to file comments on the draft permit may petition for administrative review only on changes from the draft to the final permit.

The 30-day period within which a person may request review begins on October 25, 2007 and ends on November 26, 2007. The petition must be sent to:

Mr. Watson Gin, Deputy Director  
Hazardous Waste Management Program  
Department of Toxic Substances Control  
P.O. Box 806  
Sacramento, California 95812-0806

with a complete copy to:

Mr. Raymond Leclerc  
Hazardous Waste Management Program  
Department of Toxic Substances Control  
8800 Cal Center Drive  
Sacramento, California 95826

The petition shall include a statement of the reasons supporting the request for review, including a demonstration that any issues being raised were raised during the public comment period and when appropriate, a showing that the condition in question is based on:

- 1) a finding of fact or conclusion of law which is clearly erroneous, or
- 2) an exercise of discretion or an important policy consideration which DTSC should, in its discretion, review.

Any questions regarding this final Post Closure Permit should be directed to Mr. Mike Eshaghian at (818) 551-2926.

A copy of the complete administrative record for the decision is available for review at:

Department of Toxic Substances Control  
1011 North Grandview Avenue  
Glendale, California 91201  
Contact: Ms. Jone Bario  
Telephone: (818) 551-2886

Copies of the Final Permit, Response to Comments, Summary of Changes from Draft Permit to Final Permit and the CEQA Final NOE are also available for review at:

Carson Public Library  
151 East Carson Street  
Carson, California

These documents are also available at the DTSC website:  
<http://www.dtsc.ca.gov>

Please bring this notice to the attention of all persons who you know would be interested in this matter. If you have any questions regarding this matter, please contact Mike Eshaghian at (818) 551-2926.
